Chapter W has been staying busy by meeting up at someone's house and playing Bunco. It's a fun way to stay in touch with members and we have a great time. At times the talk is so good we find that rolling those dice gets in the way of conversation. Next Bunco is March 15, at 2:00, with Don and Rita hosting. We will also have Fish Fry Fridays during Lent.

Nothing much else going on this time of year, too cold to ride, many members are gone for warmer weather, so us who are left behind just carry on.

As long as this is a March Journal, I thought I would leave you with an Irish poem.

May there always be work for your hands to do
May your purse always hold a coin or two
May the sun always shine warm on your window pane
May a rainbow be certain to follow each rain
May the hand of a friend always be near you
And may God fill your hearts with gladness to cheer you.

Sort of makes you feel like spring is coming, right?

Until next month, stay warm

Chapter W Educator Notes

March 2020

With riding season right around the corner, it's time for me to think about sharpening my riding skills prior to getting out on the road. Another riding season means another year of age and although I hate to admit it, a little slower in my reactions. A good way to do that is signing up for an Experienced Rider Course. I feel I owe my family the knowledge that I keep myself as safe as I possibly can. I've taken the basic course and 2 experienced rider courses and I always walk away learning something. Although I seem to be able to find a way to overdo anything, I don't think safety will fall into that category.

Chapter Q is conducting an Intermediate Rider course on 2-3 May 2020. If anyone is interested let me know and I'll see if there is an available seat. My email is stevedombrowsky1@gmail.com or phone is 701-741-5850.

THINK WARM!!!, Stay safe and Have Fun
